

# SOCIETY PRESIDENT'S MESSAGE

Not wanting any grass to grow under their feet as the old saying goes; the Society Board continues to push ahead with several projects.

Negotiations continue with the City of Davis in the hopes of continuing to oversee the day to day activities at the Hattie Weber Museum which for many years been operated by the "Library Club" whose members have reached the age of retirement.

The Society jointly with the Yolo County Art Council received a planning grant to ascertain the feasibility of the establishment of a Yolo County Cultural, History and Art Center. The land has been confirmed and the architect should have preliminary drawings for review in the next two weeks.

As this is written, a "Board Retreat" is planned for June 12th to review our vision statement, our past accomplishments and our future endeavors.

September 6th is the date of the annual Stroll through History in Woodland. Kris Turner and Marylin Thompson will again head the committee providing actors to portray former Woodland citizens at the Woodland City Cemetery. Volunteers are welcome.

This being the last newsletter of the Society's year, I want to thank the Society Board and the Society members for their continued support.

Peace,      B.J. Ford, President  
                    Yolo County Historical Society

## JUNE PICNIC
