

## **PICNIC TIME**

It is time for the Annual June Picnic (a family affair) which is the end of the fiscal year for the Yolo County Historical Society, The Yolo County Historical Museum supporters and the Friends of the Archives. This year we are inviting other historic Yolo County groups to join us. Our plan is to identify individual groups by the color of their name tag, however, that may prove impossible as many of us belong to more than one historical group. We may have to rethink our plan.

## **MEET THE NEW YOLO COUNTY ARCHIVIST**

Yolo County's new archivist, Moira Conlan, will be the guest of the Friends of the Yolo County Archives at this year's annual picnic and meeting on Thursday, June 17<sup>th</sup>, at the Gibson House according to Ted Smith, President of the Friends' group.

Ms. Conlan began her new duties at the Archives on March 15 and comes to Yolo County after spending four and one-half years in the Delaware Public Archives. Prior to that, she worked as an assistant professor at Mississippi State University.

The new archivist was born and raised in Marion, Mass., and earned her B.A. at the University of Massachusetts and her M.A. from Simmons College in Boston. Her move to this area was the result of her husband's transfer to Travis Air Force Base, where he serves as the pilot of C-

17s. The couple has a two year-old son, and they live in Vacaville.
